TOTAL SCORE: _____ / 15

Minimum Qualifying Standard Score: 9/15 or higher.

Applicants must earn a minimum score of 9 out of 15 points on the Statement of Interest/Applicant Readiness Assessment to qualify for admission consideration. Applicants scoring below 9/15 do not meet the minimum qualifying standard and will not advance in the selective admissions process, regardless of their overall application score. Meeting the minimum qualifying score does not guarantee admission. Applicants who meet all minimum admission requirements will be ranked according to the established selective admissions criteria, with admission offered in rank order until available seats are filled.
