## Checklist for applying to the Radiologic Technology Program for Fall 2017

Dear Prospective Student:

Thank you for your interest in the Radiologic Technology program at Massasoit Community College. This packet contains important information about the admissions requirements and the application process for the Fall 2017 semester. We have included a checklist of items needed to apply to the Radiologic Technology program. In addition, you may access information on our website at [www.massasoit.edu](http://www.massasoit.edu).

The Radiologic Technology program is a competitive and selective program. Please read through the requirements carefully. It is the student's responsibility to make sure all requirements have been met and all admissions materials are received by the deadline. We will not accept your application until all of the required items are completed and included with your application. (See the Checklist for the Radiologic Technology program for required documents/items).

You may submit a completed application for the Fall 2017 Radiologic Technology Program with all of the required admissions materials anytime after November 1, 2016 and no later than February 1, 2017. Incomplete applications received in the mail or in person or applications received *after* the deadline date will not be reviewed and will be returned.

We hope you will find this packet informative and helpful. If you have any additional questions, please contact the Admissions Office at (508) 588-9100 x1411. We wish you success in your educational endeavors.

Thank you,  
*Michelle Hughes*
