

Phlebotomy

College-approved Certificate

This academic map is a suggested semester-by-semester guide to keep you on a clear pathway to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

Please note that program-specific courses are only offered on the Canton Campus.

Semester 1			Credits
MEDA 104	Basic Laboratory Procedures I		3 <input type="checkbox"/>
MEDA 301	Principles and Methods of Phlebotomy		3 <input type="checkbox"/>
MEDA 401	Phlebotomy Clinical Practicum		2 <input type="checkbox"/>

CONGRATULATIONS
You've Arrived!

About Developmental Courses

Developmental courses do not satisfy graduation requirements, but they are required for those who place into them and will appear on the student's transcript. Placement into one of the following courses indicates that a student needs additional preparation before enrolling in college-level courses:

ENGL 091	Preparing for College Reading I	ENGL 092	Preparing for College Reading II
ENGL 095	Reading and Writing Seminar	ENGL 099	Introductory Writing
MATH 001-003	Prep College Math I-III	MATH 010	Fundamentals of Mathematics
MATH 060	Math Literacy	MATH 011	Introductory Algebra
MATH 012	Intermediate Algebra		

Route to Success

Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor and/or visit the online course search for availability.

Ready to Go

Courses have no prerequisites or developmental courses.

Semester-specific Course Offerings

Courses are not offered all semesters.

Minimum Grade Requirement

Students must earn a minimum grade to remain in the program.

Electives

For details on eligible electives, please see reverse.

Taking **15 credits/semester** or **30 credits/year** will help you stay on track to finish your degree in two years.

Program Notes

Program Admission Requirements

A completed application with the following requirements:

- Official copy of your transcript or GED certificate
- Assessment testing in reading and mathematics
- Attend a program informational session and interview with Program Director

Admission into the Program

In order to complete the admissions process into the Phlebotomy Program, all accepted applicants must meet the following requirements:

- Carry health insurance
- Complete health documentation requirements, which include physical examination (including immunizations) and statement that applicant is able to participate fully in learning experience required in the program.
- Criminal Offender Record Information (CORI) check

Students are required to have lockers.

Students are required to purchase a departmental approved lab coat and badge (obtained through department).

Students are required to participate in a mandatory CPR class for a fee (waived if holds current CPR certification).

Students are required to wear green scrubs.

Students are required to register for the National Board Certification Exam by the American Society for Clinical Pathology (ASCP).

Phlebotomy Clinical Practicum MEDA401 prerequisite: C+ or higher in Principles and Methods of Phlebotomy MEDA301.

Clinical Practicum

MEDA 401 Phlebotomy Clinical Practicum placement provided by Massasoit Community College and begins the 11th week of class.

Some courses may have prerequisites, which are courses that **must** be taken prior to a particular course. For details, log into DegreeWorks through your MyMassasoit portal.

A minimum of 8 credits and 3 courses is required for completion. The same course may not be used to satisfy two different course requirements.

After Graduation/Completion

Eligible for the National Board Certification Exam by the American Society for Clinical Pathology (ASCP) with successful completion of the program.
