

International Evaluation Company List

Question: Where may I obtain evaluations for my International educational documents?

Answer: Commonly used services for educational evaluation in the United States are:

ACE (Atlas Credential Evaluations) www.atlasevaluations.com (use discount code INST2015 for \$15 off your order)

CED (Center for Educational Documentation): www.cedevaluations.com

EEI (Education Evaluators International): www.educei.com

IERF (International Education Research Foundation Inc. Credential Evaluation Services): <http://ierf.org/>

NACES (National Association of Credential Evaluation Services): www.naces.com/members

NAEG (North American Educational Group): www.naeg.org

TEC (The Evaluation Company): <https://evalcompany.com/massasoit>

WES (World Education Service): www.wes.org

All evaluation of Foreign Documentation companies require a fee for their services. It is highly recommended that one of these company options be used to ensure proper document evaluation.

Massasoit Community College simply recommends, not endorses, the companies on this list.
