

Student Club Recognition Policy

The Student Life Office and the Student Senate encourage the formation of new student clubs. Every club must have a full-time faculty or staff advisor and be open to all members of the student body. Students interested in forming a new student club will be required to submit certain documentation to the Coordinator of Student Life who may request a meeting with club organizers in order to collect additional information needed for recognition. Recognition of a student club by the College or the Student Senate shall not imply approval or endorsement of the club or its activities. All student clubs and their members are subject to the College's policies and procedures, including the Student Code of Conduct and Policy on Affirmative Action, Equal Opportunity & Diversity.

For a copy of the club formation toolkit, which includes a complete description of the process for forming a student club, or for additional information about the College's active student clubs, please visit the Student Life Office located in the Student Center SC1883 in Brockton or call (508) 588-9100 x1486.
