Continuing Education

Community Education

The Community Education department at Massasoit serves a broad population of students, some of whom are developing skills to take their career to the next level, others who are training for a new career, and others who simply want to learn something new for their own personal interest. Our non-credit courses are offered in the day, evening, on weekends, and online, to accommodate our student's busy schedules.

Career-related courses prepare students for work in healthcare, business, technology, legal and other fields. Regardless of the type of course, the Community Education staff works closely with each student to make their Massasoit experience rewarding. Our courses are offered at our locations in Brockton, Canton, and Middleborough.

For the latest offerings, call 508-588-9100, x1509 or visit massasoit.edu/communityed.

Adult Basic Education Programs

Two of Massasoit's key Adult Basic Education (ABE) offerings are the Massasoit Community ESOL (English for Speakers of Other Languages) Program and the Transition to College Program. Both programs are offered at no cost to adult learners.

ESOL Program

The Massasoit Community ESOL Program established in 2000 is funded by a grant from the Massachusetts Department of Elementary and Secondary Education (DESE). The program addresses the need of surrounding area adults to gain English proficiency. Based on individual student needs, our instructors tailor lessons to maximize opportunities for students to attain their educational and career goals.

Classes are held on both the Brockton and Canton Campuses from September to June. The 34-week long program offers Beginning, Intermediate, and Advanced levels of ESOL. Topics include reading, writing, grammar, American Culture & Civics, numeracy, conversation, pronunciation, and computer labs. Placements are chosen through a lottery system. Interested students must register to be included in the lottery that is held twice a year: August & January.

All classes are free to eligible students with limited English proficiency.

Transition to Community College Program

The Transition to Community College Program at Massasoit's Brockton Campus is designed to provide support and college courses free to adult learners making the transition from Adult Learning Centers to Community College. The program offers qualifying ABE students from Brockton, surrounding towns and Adult Learning Centers the opportunity to access free postsecondary education leading to a college degree or a certificate at Massasoit Community College.

Students are offered college credit courses, English and mathematics developmental courses (when needed), counseling and advising as part of this free, two-semester long education program. Students are provided with the academic tools and support needed to assimilate and succeed in the college environment to complete the program.

The Transition to Community College Program is free to all who meet the eligibility requirements.
