		findings, and improve capacity in response to Covid restrictions.		
National Science Foundation	Scholarships in Science, Technology, Engineering, and Mathematics (S-STEM)	Massasoit’s <i>STEM Scholars Associates</i> program will help cohorts of STEM students to overcome educational disadvantages through financial assistance coupled with an evidence-based, co-curricular program that builds connections between students, faculty and industry professionals. Massasoit will also assess the effectiveness of the program elements to generate knowledge on which activities contribute the most to student achievement in order to identify practices that will increase success for all STEM students.	6/15/17 – 5/31/2022	\$649,999
US Department of Education	TRiO Student Support Services (SSS) Program	The TRiO SSS program serves students who are first generation college students, low-income, and/or have documented disabilities. SSS provides individual and academic counseling; tutoring; disability support; career planning services; and exposure to cultural activities above and beyond those offered to all Massasoit students.	9/1/2020 – 8/31/2025	\$1,675,550
US Department of Education	TRiO Talent Search Program	Massasoit’s Talent Search program will help 500 Brockton High School students annually to stay on track to graduate high school and pursue a college degree that leads to life-sustaining wages.	9/1/2022 – 8/31/2027	\$277,375 x 5 years (\$1,386,875)

Massasoit Community College Grant Programs

Funder	Program	Project Description	Period of Performance	Award
US Department of Education	FY2020 Undergraduate International Studies and Foreign Language Program (UISFL)	The UISFL program provides grants for planning, developing, and carrying out projects to strengthen and improve undergraduate instruction in international studies and foreign languages in the United States. Massasoit's MAGGIE Project (Massasoit Goes Global Internationalizing Education) will train faculty in incorporating global themes and study abroad to their curricula, create a credit-bearing financial aid-eligible study abroad program that is accessible to our student population, integrate services for international students and domestic students in Global Studies programming, and develop international and cross-cultural awareness among students through on-campus cocurricular activities.	8/15/2020 – 8/14/2023	\$157,896
US Department of Education – Administered by Massachusetts Department of Elementary and Secondary Education (MA DESE)	Adult Education Services Continuation Grant (FC340)	This program, located at Stoughton High School, provides adult basic education instruction and support services from basic literacy or beginning English proficiency through high school level skills.	9/1/2022 – 8/31/2023	\$248,262
US Department of Education – Administered by Massachusetts Department of Elementary and Secondary Education (MA DESE)	Perkins Career and Technical Education (CTE) Grant (FC401)	The purpose of this federal grant is to assist public two-year colleges with programs that meet the definition of career and technical education as contained in the Strengthening Career and Technical Education for the 21 Century Act P.L. 115-224 (Perkins V).	8/17/2022 – 8/31/2023	\$340,168

Massasoit Community College Grant Programs

Funder	Program	Project Description	Period of Performance	Award
United Way of Greater Plymouth County	Support for Job Training & Placement	Brockton ESOL program scholarships (75% cost for an ESOL course)	7/1/2022 – 6/30/2023	\$9,890
United Way of Greater Plymouth County	Feeding Our Families	Funding will support Massasoit’s Food Pantry	7/1/2022 – 6/30/2023	\$6,725
World Learning	IDEAS Program (Increase and Diversify Education Abroad for U.S. Students), also known as the Capacity Building Program for U.S. Study Abroad	<i>Study Abroad at Massasoit</i> – Funding will be used to develop a framework for providing week-long, faculty-led study abroad experiences that are more accessible and affordable for the under-represented students we serve. Through this grant the college seeks to finalize a replicable course design that includes a study abroad module that provides consistency of experience for students regardless of destination. With the Costa Rica plan as a starting point, the college will build two additional travel modules: Morocco and the Azores. The long-term goals of this project are to diversify the student population that engages in study abroad and to thereby increase the global competencies of participating students to create a better prepared and informed workforce.	8/1/2020 – 9/30/2023	\$35,000
