From the Office of Institutional Research

Welcome to Massasoit Community College's *Annual Fact Book*. The data and information that is included here is the most currently available and the most often requested by members of our community. You will find student enrollment, demographics, and completions data as well as information on academic programs/departments and on measures of student success (retention, graduation, and transfer to further education). Where possible, we have shown trends to better inform and provide context. We hope you will find this document easy to use and understand, and that the facts you need have been included.

As always, please reach out to our office (IR@massasoit.edu) should you have any questions or if you need additional information. We welcome your feedback, including any suggestions for future publications.

Information about Massasoit is highlighted in our *Fact Sheet* on the next two pages. This document is meant to provide an overview of the college for the public and has been used in mailings to constituent groups.

Founded in 1966, *Massasoit Community College* offers associate degree programs in arts, sciences, and applied sciences, as well as one-year and short-term certificates for a range of occupations and interests. Corporate and job skills training courses, personal enrichment classes, theater and concert performances, and programs for high school students, younger children, and seniors are among the other offerings available to the residents of Southeastern Massachusetts.

The College has three locations with modern classroom facilities, laboratories, and computer centers:

The *Brockton campus* is a 100-acre facility, with a number of modern academic buildings, a student center, library, children's day care, two theaters, radio and TV studios, and a field house, which houses a swimming pool, basketball court, racquetball courts and weight room.

The *Canton campus* is a multi-level facility on 18 acres in the Blue Hills area south of Boston. Specialized labs, art studios, and CAD and Macintosh computer labs support the technical and visual arts programs on campus. The campus is home to the *Veterinary Technology Suite* and the *Akillian Gallery*.

Middleborough Center, fully renovated with smart classrooms and biology lab. The Center is home to the *Emergency Medical Services Educational Suite*, a space devoted to our EMT program.

The Student Body

Massasoit is one of the largest of the 15 community colleges within the Massachusetts Public Higher Education system. In Fall 2023, there were **5,029 students** (2,829 FTEs) enrolled for credit.

- 61% are female.
- 57% are students of color.
- 52% of students are 21 years or younger; 25% are 22-29; 23% are 30 years of age or older.
- 66% are part-time.
- 49% of credit students are enrolled in career programs; 25% are enrolled in liberal arts and sciences programs; 26% are non-degree.

The FY2023 annual unduplicated headcount for credit students was 7,395 (3,077 FTEs).

Over 1,500 students annually enroll in non-credit community education or workforce development courses.

Programs of Study

- **Associate degree programs** are offered in more than 40 majors including occupation-specific programs, transfer programs, and liberal arts.
- **Certificate programs** include Dental Assistant, Information Technologies, and Medical Assistant (approved by Mass. Dept. of Higher Education), plus more than one dozen short-term certificates, including Early Childhood Education, Global Learning, Microsoft Office Specialist, Networking, Phlebotomy, and Security.

2023-2024 Fact Sheet

- Students have the option to select programs that facilitate transfer to a four-year college. Several programs also offer concentrations within the major.
- All occupation-specific programs have employer advisory committees to keep the programs relevant and up to industry standards.
- Courses are offered during the day, evening, and on the weekend. Courses are offered in person, completely online, or as hybrid courses where some onsite attendance is required.

Student Performance on Campus

- Three-quarters (77%) of first-time, full-time fall students return for the spring semester.
- More than three-fifths of first-time, full-time freshmen are either still enrolled at Massasoit (60%) after one year or have transferred (9%) to another college within one year.
- The College's course completion rate is 77%.

Faculty and Staff

- There are currently 98 full-time faculty and 396 part-time faculty.
- There are 222 full-time administrators, professionals, and clerical and maintenance workers, and 190 part-time staff.

An Education Affordable for Students

- Tuition and fees for a full-time MA resident student (12 credits, or 4 classes) per semester: **\$2,688**.
- Books per semester for a full-time student (12 credits, or 4 classes): **\$1,440**.
- 71% of first-time, full-time matriculated students receive financial aid.
- Annual Budget for Fiscal Year 2023: **\$46,934,916**.

A Partner in the Community

Typically more than 800 students graduate with an associate degree or certificate each year. The following are graduates disaggregated by program type for the Class of 2023: Allied Health & Nursing (16%), Business & Technology (17%), Emergent Technology & Visual Arts (4%), Liberal Arts (24%), Public Service & Social Science (23%), Science & Mathematics (15%).

- About 85% of graduates find employment within one year of graduation.
- More than 45% of graduates continue their education at four-year institutions—most often Bridgewater State University, University of Massachusetts, Stonehill College, and Northeastern University—within one year of graduation.

There are over 34,000 Massasoit alumni in the world!

- **The Corporate & Community Education Division** offers programs that meet the training, cultural, and personal enrichment needs of the College's service areas through a wide variety of job skills training and community education courses. Certificate training programs include EKG Tech, electrician, EMT, Event Planning, Home Inspection, Ophthalmic Assistant, Paralegal, Pharmacy Tech, Real Estate, and Veterinary Assistant. Noncredit courses are offered in the arts, business, computers, finance, education, fitness, hobbies, crafts, personal development, language, travel, sports, recreation, and dance. The Division also offers Adult Basic Education, ESOL, and HiSET/GED Preparation classes.
- Massasoit has **Partnerships** with more than 100 companies and agencies in the area, as well as corporate training programs tailored to assess and meet the individual needs of each organization.

Massasoit Community College

Massasoit Community College is one of the largest of the 15 Massachusetts public community colleges, with three locations (Brockton, Canton, and Middleborough) in Plymouth and Norfolk counties. Students come to us from more than 130 cities and towns, taking classes in person and online.

Like our sister community colleges and state universities, we had been experiencing a decline in enrollment over the past several years prior to the onset of COVID-19 in March 2020, mirroring a decline in the traditional college-going population (aged <21) in our service area. In addition, the low unemployment rate may have been a factor as potential students chose to work. Our enrollments dropped significantly in Fall 2020 and as the pandemic continued. Enrollment increased in Fall 2023 and in Spring 2024; the new MassReconnect program (allowing residents 25 and older without an earned degree to attend community college for free) likely contributed to these increases.

Massasoit also attracts students for summer coursework – whether our own students or students from other colleges who have come home to the area; annual data includes all three terms – fall, spring, and summer. In FY2024, a total of 7,905 (unduplicated) credit students attempted a total of 99,751 credits/3325.0 FTEs.

After a decade of growth (through peak at Fall 2013), credit headcount and FTE (based on total number of credits) have been declining ever since. As noted, a steeper drop occurred in Fall 2020 as the COVID-19 pandemic continued and has just started to rebound in Fall of 2023 and continued in Spring 2024.

Credit headcounts have typically been higher in fall than in the spring as more new students start attending in the fall term. While retention from fall to spring is high (more than two-thirds) – some 2-3% complete their program in December and many others transfer out to four-year institutions prior to graduation.

Massasoit Community College

Full-Time vs. Part-Time Headcount Enrollment by Fall Term

As credit headcount has been in decline over the past five years with a recent rebound in Fall 2023, so too have we seen a dip in the number of students who are enrolled full time (12 credits or more in a given term), again with a recent rebound in Fall 2023, as indicated by the blue line above.

Massasoit’s student population has become increasingly diverse over time, as shown in the chart below.

Graduation & Transfer Rates

For federal reporting to IPEDS*, colleges are required to report on the status of an entering fall cohort (first-time, full-time, degree- or certificate-seeking) at 150% normal time (three years for an associate degree; 18 months for a certificate).

While this represents only about a third of our entering class (since many are part-time, transfer ins, and/or nondegree students), it has become the standard for comparative national data.

In addition to graduation rates, community colleges are also allowed to calculate a transfer-out rate (prior to graduation) as well as the percentage of the original cohort who are still enrolled after three years. The

categories are mutually exclusive as shown in the stacked charts above. After a decrease in our graduation rate for the 2018 cohort, we jumped to 19% for 2019 and then to 24% for the most recent cohort. Additionally, while our Transfer-Out rate (prior to graduation) decreased to 16% for the 2019 cohort, it jumped to 21% for the 2020 group; still enrolled remains at 13%.

IPEDS* Entering	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020
Fall Cohort**	1227	1211	1281	1189	1084	1041	927	830	852	545

*Integrated Postsecondary Education Data Systems

**Established cohort of students who are first-time, full-time degree-seeking (or certificate-seeking) students entering for a particular Fall semester.

IPEDS also collects data on graduation at the 200% mark (four years for an associate degree). By simply giving students in the original cohorts an additional year, we have seen an additional four or five percent of the original cohort complete their program of study.

Retention Rates: First-Time Freshmen

Retention rates traditionally track first-time freshmen starting in a particular fall term through to the following spring term, then on to the subsequent fall semester. While fall-to-spring rates are particularly high, they are even higher (80%) for students who start college in the fall term. Fall-to-fall retention rates (including those who return as well as those who have graduated) tend to be higher for those who start full time (60% vs. 51% of those who start part time). Not considered here are those who transfer out prior to graduation.

* Retained = Returned for spring term.

First-Time Freshmen in Degree/Certificate Programs in their First Term

	Fall 2018 cohort	Fall 2019 cohort	Fall 2020 cohort	Fall 2021 cohort	Fall 2022 cohort

Part-time Freshmen	517	461	341	421	352
All	1350	1313	886	1004	856

* Retained = Returned for next fall term or graduated/completed program prior to next fall term.

Term-to-Term Retention Rates: All Credit Students

For internal planning purposes, we also look at the retention of all credit students (not just first-time freshmen) from term to term. As with the first-time students, retention is high for all students from fall to spring, with some variations between new and continuing students.

* An additional 2-3% typically complete their program prior to spring.

All Credit Students	Fall 2019	Fall 2020	Fall 2021	Fall 2022	Fall 2023

Total	6,637	5,665	5,485	4,710	5,029

While retention rates from spring to fall term are lower overall, continuing students are more likely to return (55% vs. 48% for Spring 2023 to Fall 2023) than new students. In addition, about 8-10% of spring students graduate prior to the fall term.

* An additional 8-10% completed their program prior to fall.

Retention & Transfer Outs

Many of our students attend Massasoit with the goal of transferring on to a four-year institution, whether or not earning an associate degree prior to transfer. Each fall, we track all of our credit students (enrolled as of our census) for retention, completion, and transfer out (using the National Student Clearinghouse for confirmation of enrollment at another institution).

Noncredit Enrollments: Corporate & Community Education

In addition to credit courses and programs of study, Massasoit offers a variety of noncredit classes that may be taken for personal enrichment or for workforce professional training and credentials. For reporting purposes, we use seats counts/registrations to quantify the volume of activity, understanding that many students take more than one course in a given year. In FY2024, a total of 1,648 individuals registered for 2,496 courses.

Please Note: Student Headcounts are reported by Primary/first major to provide an unduplicated headcount. See Grand Total (current term only, column shaded in gold) for all declared majors, including additional/secondary majors. In many departments, students are eligible to earn a certificate on the way to the degree.

IPEDS Institutional Graduation & Transfer Rates

- For *IPEDS** reporting, we track a cohort of students who are first-time, full-time degree-seeking (or certificate-seeking) students for a particular Fall semester.
- This population represents about a third of our incoming Fall class; the others are enrolled part-time, are transfer-ins, and/or are not in degree or certificate programs.
- IPEDS* allows community colleges to report both *Graduation* and *Transfer* Rates (as both are central to our mission) over a relatively short period of time. The **Graduation Rate** has traditionally been calculated based on **150% time**—three years for an associate degree and 18 months for a one-year certificate. The **Transfer Rate** is also reported at the three-year mark and is based on information gathered from NSC (National Student Clearinghouse) when we query subsequent enrollment/attendance at other colleges. We also report on persistence (**Still Enrolled**) at this point in time as well.

- Massasoit's Four-Year Average Graduation Rate: 19%; Transfer Rate: 19%

- Community colleges complete a report on the **Graduation Rate within 200% time** (within four years for an associate degree) as well. Tracking the same initial cohorts, the graduation rates have increased significantly by allowing more time.
- In our most recent submission to IPEDS, the **Fall 2020 cohort** (545 students) were tracked through 2023 graduation. A total of 129 (24%) graduated within 150% time. Another 112 (21%) transferred before completing their Massasoit program.

- An additional 72 (13%) in the cohort are still enrolled (persisting) at Massasoit.
- More than one tenth of the cohort group (87 or 16%) transferred after graduation, in addition to the 21% who transferred without completing their Massasoit program.

Glossary of Terms

Auditor: Student enrolled in a credit course who is not seeking academic credit for that course. These students are not included as credit students in enrollment reports, but would be included in registrations/seal counts for the course.

Certificate programs/students: Students who have formally applied for admission, been accepted, and enrolled in a program of study leading to a Board certificate (30+ credit program approved by the Board of Higher Ed) or short term certificate (<30 credits).

Continuing Students:

- **Returning:** Students who continue at Massasoit, whether continuously or with interruption(s) in attendance.
- **Readmitted:** A student who has been away from Massasoit for more than three terms has to apply for re-admittance to a particular program.
- **Additional degree/certificate:** A student who has already completed a program at Massasoit (degree or certificate) must apply for admission to any additional program(s).

Credit Student: Student taking at least one credit course during the semester.

- Full time = 12 or more credits in the semester
- Part time = fewer than 12 credits in the semester

Credits/Credit Hours: Most Massasoit courses are offered for 3 credits (lecture) or 4 credits (with lab), generally corresponding with the number of hours of instruction per week. Students are billed per credit hour (currently \$201 for tuition and fees).

Degree programs/students: Students who have formally applied for admission, been accepted, and enrolled in a program of study leading to an associate degree (60+ credits).

Dual Enrollment/High School Students: A student who has not yet graduated from high school (including those who are home schooled) who enrolls in college courses. Often, a student will receive high school credit in addition to the college credit noted on their Massasoit transcript.

Graduates/Completers: Students who have completed their associate degree program (60+ credits); Board certificate (30+ credits); and/or short term certificates (<30 credits).

Headcount/Enrollment: Students enrolled at the college for credit who are counted only once (unduplicated) within the semester or other context (such as headcount at a particular location or in a particular program).

New Students:

- **First Time:** A student with no prior experience/attendance in college/postsecondary education.
- **Transfer:** A student who is new to Massasoit but with prior experience at another college.
- **High School Students:** A student who has not yet completed high school, but is enrolled in college classes.

Noncredit Student: Student taking course(s) only through the community education and workforce division for which academic credit is not earned, but may result in a credential or other certification.

Nondegree students: Students who had not applied or have not been accepted into a formal program, but who are taking one or more classes. All high school students are included in this category (since graduation or GED/HiSET is required for admission).

Registrations/Seats: Students registered for a course (or courses) who may appear on more than one list/count. For example, a student enrolled in four courses would have a total of four registrations.
