Massasoit Community College's Access and Disability Resources (ADR) office provides academic accommodations for veteran students who have a disability as a result of their service.

Accommodations may include, but are not limited to, extended time for testing, testing in a reduced distraction area, peer note taking, priority seating and availability to take short breaks. Individual accommodations are determined at the time of intake.

If you are interested in learning more about ADR services and how academic accommodations may mitigate some of the challenges you experience as a veteran with a service connected disability please contact ADR at 508-588-9100 x1807 or email [adr@massasoit.mass.edu](mailto:adr@massasoit.mass.edu)

\*\*\*\* Diagnostic information will be needed in order to complete the intake and to identify appropriate accommodations, **however**, diagnostic information or specific diagnosis **WILL NOT** be shared with faculty.\*\*\*\*
