**Associate in Science**

This academic map is a suggested semester-by-semester guide to keep you on a clear path to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

### About Developmental Courses

Developmental courses do not satisfy graduation requirements, but are required for those who place into them and will appear on a student's transcript. Placement into one of the following courses indicates that a student needs additional preparation before enrolling in college-level courses:

- ENGL 091: Preparing for College Reading I
- ENGL 092: Preparing for College Reading II
- ENGL 095: Reading and Writing Seminar
- ENGL 099: Introductory Writing
- MATH 001-003: Preparing for College Math I-III
- MATH 010: Fundamentals of Mathematics
- MATH 011: Introductory Algebra
- MATH 012: Intermediate Algebra
- MATH 060: Math Literacy
- MATH 061: Non-algebra Support
- MATH 065: Integrated Preparation for College Algebra

### KEY

- These courses have no prerequisites or developmental courses required.
- These courses are only offered in certain semesters.
- Students must earn a minimum grade in these courses to remain in the program.
- Eligible electives for this program are listed on the reverse. Watch for this symbol.

### HELPFUL HINTS

- Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor or visit the online course search for availability.
- Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.
Nurse Education - Full Time

**Program Notes**

The Massasoit Community college Nurse Education program began in 1968 and graduated its first class in 1970. Massasoit offers nursing options both part time and full time. Our program is committed to providing an education based on professional nursing standards. Most of our graduates are employed in local health care facilities. The nursing program strives to assist students in realizing their full potential. The faculty and staff value respect, caring, esteem, nurturing, and critical thinking in each other, our students, and the community.

A CORI/SORI background check will be required for all students before clinical experience. Unsatisfactory CORI status will prevent students from participating in the clinical experience.

Nursing courses have both a theory and clinical component. A student must pass both in order to successfully complete the course.

Graduates of the program are eligible to take the NCLEX Exam for Licensure for Registered Nurses. The program is fully accredited by the:

Accreditation Commission for Education in Nursing, Inc, 3343 Peachtree Rd, N.E., Suite 850, Atlanta, GA, 30326 | Telephone: 404-975-5000, Fax: 404-975-5020

Full approval has been granted to the program by the:

Massachusetts Board of Registration in Nursing, 239 Causeway Street, Boston, MA, 02114 | Telephone: 617-973-0900

---

A minimum grade of C+ (78) is required in all nursing courses.

**Math Competency:** All students in the nursing program must pass MATH 012 or score a 245 or higher on the computerized placement test.

**Other Electives:** Students choosing a liberal arts elective can select from the Course Elective Guide at massasoit.edu/electives.

---

Some courses may have prerequisites, which are courses that must be taken prior to a particular course. For details, log into DegreeWorks through your MyMassasoit portal.

---

A minimum of 65 credits and 15 courses is required for completion. The same course may not be used to satisfy two different course requirements.

---

**After Graduation/Completion**

Massasoit has many transfer articulation agreements with partner institutions. Visit www.massasoit.edu/transfer for the most current list.
