CONGRATULATIONS  
**You've Arrived!**

This academic map is a suggested semester-by-semester guide to keep you on a clear path to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

Please note that program-specific courses are only offered on the Canton Campus.

### About Developmental Courses

Developmental courses do not satisfy graduation requirements, but are required for those who place into them and will appear on a student's transcript. Placement into one of the following courses indicates that a student needs additional preparation before enrolling in college-level courses:

ENGL 091	Preparing for College Reading I
ENGL 092	Preparing for College Reading II
ENGL 095	Reading and Writing Seminar
ENGL 099	Introductory Writing
MATH 001-003	Preparing for College Math I-III
MATH 010	Fundamentals of Mathematics
MATH 011	Introductory Algebra
MATH 012	Intermediate Algebra
MATH 060	Math Literacy
MATH 061	Non-algebra Support
MATH 065	Integrated Preparation for College Algebra

### KEY

Keep an eye out for these symbols, which give important information about certain courses.

These courses have no prerequisites or developmental courses required.

These courses are only offered in certain semesters.

Students must earn a minimum grade in these courses to remain in the program.

Eligible electives for this program are listed on the reverse. Watch for this symbol.

### HELPFUL HINTS

Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor or visit the online course search for availability.

Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.

## Program Notes

### Program Admission Requirements

A completed application with the following requirements:

- Official copy of your transcript or GED certificate
- Assessment testing in reading and mathematics
- Attend a program informational session and interview with Program Director

### Admission into the Program

In order to complete the admissions process into the Phlebotomy Program, all accepted applicants must meet the following requirements:

- Carry health insurance
- Complete health documentation requirements, which include physical examination (including immunizations) and statement that applicant is able to participate fully in learning experience required in the program.
- Criminal Offender Record Information (CORI) check

Students are required to have lockers.

Students are required to purchase a departmental approved lab coat and badge (obtained through department).

Students are required to participate in a mandatory CPR class for a fee (waived if holds current CPR certification).

Students are required to wear green scrubs.

Students are required to register for the National Board Certification Exam by the American Society for Clinical Pathology (ASCP).

Phlebotomy Clinical Practicum MEDA401 prerequisite: C+ or higher in Principles and Methods of Phlebotomy MEDA301.

### Clinical Practicum

MEDA 401 Phlebotomy Clinical Practicum placement provided by Massasoit Community College and begins the 11th week of class.

Some courses may have prerequisites, which are courses that **must** be taken prior to a particular course. For details, log into DegreeWorks through your MyMassasoit portal.

**A minimum of 8 credits and 3 courses is required for completion. The same course may not be used to satisfy two different course requirements.**

## After Graduation/Completion

Eligible for the National Board Certification Exam by the American Society for Clinical Pathology (ASCP) with successful completion of the program.
