

Founded in 1966, *Massasoit Community College* offers associate degree programs in arts, sciences, and applied sciences, as well as one-year and short-term certificates for a range of occupations and interests. Corporate and job skills training courses, personal enrichment classes, theater and concert performances, and programs for high school students, younger children, and seniors are among the other offerings available to the residents of Southeastern Massachusetts.

The College has three locations with modern classroom facilities, laboratories, and computer centers:

The *Brockton campus* is a 100-acre facility, with a number of modern academic buildings, a student center, library, children's day care, two theaters, radio and TV studios, and a field house, which houses a swimming pool, basketball court, racquetball courts and weight room.

The *Canton campus* is a multi-level facility on 18 acres in the Blue Hills area south of Boston. Specialized labs, art studios, and CAD and Macintosh computer labs support the technical and visual arts programs on campus. The campus is home to the *Veterinary Technology Suite* and the *Akillian Gallery*.

Middleborough Center, fully renovated with smart classrooms and a brand new biology lab, opened in 2010. Several degree programs may be completed on site and a variety of courses are offered. The Center is home to the *Emergency Medical Services Educational Suite*, a space devoted to our EMT and Paramedic programs.
