About Massasoit

- With three campus locations in **Brockton, Canton, and Middleborough** and one of the largest of Massachusetts' 15 community colleges, Massasoit's fall credit enrollment is nearly **6,000** with nearly **10,000** students annually.
- About **2,000 students** enroll annually in non-credit community education & workforce development courses.
- The **Emergency Medical Services Suite** in Middleborough trains students in a fully-operational ambulance simulation setting. Students in the nationally-accredited Paramedic certificate program have historically had a near-100% employment rate upon graduation.
- On our Canton campus, state-of-the-art labs offer our students hands-on learning in **Architecture, Diesel, Engineering, HVAC, and Veterinary Technology**.
- The **Diesel Technology** program is the only degree-granting program of its kind in Massachusetts.
- Ranked in the **top 10 safest colleges** in Massachusetts for 2019 by the National Council for Home Safety & Security.
- For 2018, Massasoit Community College ranked **10th overall** in the number of associate degrees in business and marketing granted to minority students.
- **Massasoit STEM** research maintains a robust internship program focusing on urban and suburban land-use practices effects on local ecosystems with a focus on native pollinator communities. Our STEM interns boast a nearly **100% transfer and retention rate**.
- More than 100 courses use no-cost online resources, which have saved students more than **\$1.4 million in textbook costs**.

Mission Statement

Massasoit Community College is a dynamic, diverse learning community that supports all students in their education, leading to a career, transfer to four-year institutions, and the pursuit of lifelong learning. Faculty and staff are committed to student success and strive to offer accessible and innovative programs with comprehensive support services to prepare students for membership in a global society.
