Glossary of Terms

Accelerated Session: Intensive (more hours per week) 10-week classes that start later but finish by the end of term.

Auditor: Student enrolled in a credit course who is not seeking academic credit for that course. These students are not included as credit students in enrollment reports, but would be included in registrations/seal counts for the course.

Certificate programs/students: Students who have formally applied for admission, been accepted, and enrolled in a program of study leading to a Board certificate (30+ credit program approved by the Board of Higher Ed) or short term certificate (<30 credits).

Continuing Students:

- **Returning:** Students who continue at Massasoit, whether continuously or with interruption(s) in attendance.
- **Readmitted:** A student who has been away from Massasoit for more than three terms has to apply for re-admittance to a particular academic program.
- **Additional degree/certificate:** A student who has already completed a program at Massasoit (degree or certificate) must apply for admission to any additional program(s).

Credit Student: Student taking at least one credit course during the semester.

- Full time = 12 or more credits in the semester
- Part time = fewer than 12 credits in the semester

Credits/Credit Hours: Most Massasoit courses are offered for 3 credits (lecture) or 4 credits (with lab), generally corresponding with the number of hours of instruction per week.

Degree programs/students: Students who have formally applied for admission, been accepted, and enrolled in a program of study leading to an associate degree (60+ credits).

Dual Enrollment/High School Students: A student who has not yet graduated from high school (including those who are home schooled) who enrolls in college courses. Often, a student will receive high school credit in addition to the college credit noted on their Massasoit transcript.

Full Time Equivalent (FTE): For our purposes, the FTE is a calculation that divides total credits by the minimum number of credits needed to earn an associate degree in two years—15 credits for a full term or 30 credits annually. Other FTEs may use a calculation based on the number of actual full-time students plus a fraction of part-time students.

Graduates/Completers: Students who have completed an associate degree program (60+ credits); board-approved certificate (30+ credits); and/or short term certificate (<30 credits).

Headcount/Enrollment: Students enrolled at the college for credit who are counted only once (unduplicated) within the semester or other context (such as headcount at a particular location or in a particular program).

Home Campus: The location where the most/plurality of credits a student is taking in a given semester are being taught.

Matriculated students: Students who have formally applied for admission, been accepted, and enrolled in a program.

New Students:

- **First Time:** A student with no prior experience/attendance in college/postsecondary education.
- **Transfer:** A student who is new to Massasoit but with prior experience at another college.
- **High School Students:** A student who has not yet completed high school, but is enrolled in college classes.

Noncredit Student: Student taking course(s) only through the community education and workforce division for which academic credit is not earned, but may result in a credential or other certification.

Nondegree/Nonmatriculated students: Students who had not applied or have not been accepted into a formal program, but who are taking one or more classes. All high school students are included in this category (since graduation or GED/HiSET is required for admission to a program).

Registrations/Seats: Students registered for a course (or courses) who may appear on more than one list/count. For example, a student enrolled in four courses would have a total of four registrations.
