Radiologic Technology

**Application Packet for
Fall 2024 Applicants**

Dear Prospective Student,

Thank you for your interest in the Radiologic Technology program at Massasoit Community College. This packet contains important information about the admissions requirements and the application process for the Fall 2024 semester. We have included a checklist of items needed to apply to the Radiologic Technology program. In addition, you may access information on the college website at www.massasoit.edu.

The Radiologic Technology program is a competitive and selective program. Please read through the requirements carefully. It is the student's responsibility to make sure all requirements have been met and **all admissions materials are submitted together and received by the deadline.**

You may begin submitting application materials anytime after November 1, 2023 and no later than February 1, 2024. Applications received after the deadline date will not be reviewed.

We hope you will find this packet informative and helpful. If you have any additional questions, please contact the Admissions Office at (508) 588-9100 x1411. We wish you success in your educational endeavors.

Thank you,

Michelle Hughes

Michelle Hughes

Director of Admissions

Checklist for applying to the Radiologic Technology Program for Fall 2024

Please use the following check sheet to help organize your application materials. All required items must be submitted together to the Admissions Office.

- _____ New Students to Massasoit should submit a paper application. Massasoit students currently enrolled in a degree program, should submit the application for selective admissions.
- _____ Submit documentation of high school graduation, GED/HiSET, or other state approved equivalency credential (transcript or diploma). All foreign high school transcripts must be evaluated.
- _____ Submit all official college transcripts from other institutions attended.
- _____ Attend the required Information Session.
(The time limit for attending an Info Session is one year).
- _____ Meet the Biological Principles prerequisite.
- _____ Submit ATI TEAS test results. All TEAS tests must be the current version and must be taken in-person.

All applicants will be scored using the enclosed rubric.

The deadline date for submitting completed application materials to the Admissions Office is February 1, 2024.

You may submit all application materials electronically to the Admissions Team at <https://www.massasoit.edu/enrollment/admission-form-submission>

or mail to:
