NOTES:

\*New Students are defined as those who are New to Massasoit, First Time Freshmen, Transfers, and High School students.

\*\*For the purposes of this report, Online and Other credits/students (Bridgewater/Raynham and Plymouth) are separated from the Brockton count.

\*\*\*Students who are enrolled at multiple campuses are counted in each location where they take a course, resulting in a duplicated headcount.

## Combined Credits, Fall & Spring (AY2004-AY2023)

### Spring Credit Headcount (2004-2023)

## Glossary of Terms

**Auditor:** Student enrolled in a credit course who is not seeking academic credit for that course. These students are not included as credit students in enrollment reports, but would be included in registrations/seal counts for the course.

**Certificate programs/students:** Students who have formally applied for admission, been accepted, and enrolled in a program of study leading to a Board certificate (30+ credit program approved by the Board of Higher Ed) or short term certificate (<30 credits).

### Continuing Students:

- Returning: Students who continue at Massasoit, whether continuously or with interruption(s) in attendance.
- Readmitted: A student who has been away from Massasoit for more than three terms has to apply for re-admittance to a particular academic program.
- Additional degree/certificate: A student who has already completed a program at Massasoit (degree or certificate) must apply for admission to any additional program(s).

**Credit Student:** Student taking at least one credit course during the semester.

- Full time = 12 or more credits in the semester
- Part time = fewer than 12 credits in the semester

**Credits/Credit Hours:** Most Massasoit courses are offered for 3 credits (lecture) or 4 credits (with lab), generally corresponding with the number of hours of instruction per week.

**Degree programs/students:** Students who have formally applied for admission, been accepted, and enrolled in a program of study leading to an associate degree (60+ credits).

**Dual Enrollment/High School Students:** A student who has not yet graduated from high school (including those who are home schooled) who enrolls in college courses. Often, a student will receive high school credit in addition to the college credit noted on their Massasoit transcript.

**Full Time Equivalent (FTE):** For our purposes, the FTE is a calculation that divides total credits by the minimum number of credits needed to earn an associate degree in two years—15 credits for a full term or 30 credits annually. Other FTEs may use a calculation based on the number of actual full-time students plus a fraction of part-time students.

**Graduates/Completers:** Students who have completed an associate degree program (60+ credits); board-approved certificate (30+ credits); and/or short term certificate (<30 credits).

**Headcount/Enrollment:** Students enrolled at the college for credit who are counted only once (unduplicated) within the semester or other context (such as headcount at a particular location or in a particular program).

**Home Campus:** The location where the most/plurality of credits a student is taking in a given semester are being taught.

**Matriculated students:** Students who have formally applied for admission, been accepted, and enrolled in a program.

### New Students:

- First Time: A student with no prior experience/attendance in college/postsecondary education.
- Transfer: A student who is new to Massasoit but with prior experience at another college.
- High School Students: A student who has not yet completed high school, but is enrolled in college classes.

**Noncredit Student:** Student taking course(s) only through the community education and workforce division for which academic credit is not earned, but may result in a credential or other certification.

**Nondegree/Nonmatriculated students:** Students who had not applied or have not been accepted into a formal program, but who are taking one or more classes. All high school students are included in this category (since graduation or GED/HiSET is required for admission to a program).

**Registrations/Seats:** Students registered for a course (or courses) who may appear on more than one list/count. For example, a student enrolled in four courses would have a total of four registrations.
