### About Developmental Courses
Developmental courses do not satisfy graduation requirements, but are required for those who place into them and will appear on a student’s transcript. Placement into one of the following courses indicates that a student needs additional preparation before enrolling in college-level courses:

- ENGL 091 Preparing for College Reading I
- ENGL 092 Preparing for College Reading II
- ENGL 095 Reading and Writing Seminar
- ENGL 098 Reading and Writing Studio
- ENGL 099 Introductory Writing
- MATH 001-003 Preparing for College Math I-III
- MATH 010 Fundamentals of Mathematics
- MATH 011 Introductory Algebra
- MATH 012 Intermediate Algebra
- MATH 060 Math Literacy
- MATH 061 Non-algebra Support
- MATH 065 Integrated Preparation for College Algebra

### KEY
- These courses have no prerequisites or developmental courses required.
- These courses are only offered in certain semesters.
- Students must earn a minimum grade in these courses to remain in the program.
- Eligible electives for this program are listed on the reverse. Watch for this symbol.

### HELPFUL HINTS
- Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor or visit the online course search for availability.
- Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.

The Massasoit Community College Nurse Education program began in 1968 and graduated its first class in 1970. Massasoit offers nursing options both part time and full time. Our program is committed to providing an education based on professional nursing standards. Most of our graduates are employed in local health care facilities. The nursing program strives to assist students in realizing their full potential. The faculty and staff value respect, caring, esteem, nurturing, and critical thinking in each other, our students, and the community.

A CORI/SORI background check will be required for all students before clinical experience. Unsatisfactory CORI status will prevent students from participating in the clinical experience.

Nursing courses have both a theory and clinical component. A student must pass both in order to successfully complete the course.

Graduates are eligible to take the NCLEX Exam for Licensure for Registered Nurses.

The Nursing Program is accredited by the Accreditation Commission for Education in Nursing, Inc., 3390 Peachtree Rd. N.E., Suite 1400, Atlanta, GA 30326, Telephone: 404-975-5000, Fax: 404-975-5020.

Full approval status has been granted to the Program by the Massachusetts Board of Registration in Nursing, 250 Washington Street, Boston, MA 02108, Telephone: 1-800-414-0168 / 617-973-0900, Fax: 617-973-0984.

A minimum grade of C+ (78) is required in all nursing courses. Math Competency: All students in the nursing program must pass MATH 003/012 Developmental Math III/Intermediate Math, score a 268 or higher on the computerized placement test, or place higher through Multiple Measures.

Other Electives: Students choosing a liberal arts elective can select from the Course Elective Guide at massasoit.edu/electives.
