CONGRATULATIONS  
**You've Arrived!**

This academic map is a suggested semester-by-semester guide to keep you on a clear path to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

Please note that program specific courses are only offered at our Middleborough Campus.

### Milestones

**Semester 1:** Healthcare Provider CPR Certification

**Semester 4:** Advanced Cardiac Life Support (ACLS) Certification  
Pediatric Advanced Life Support (PALS) Certification

### About Developmental Courses

Developmental courses do not satisfy graduation requirements, but are required for those who place into them and will appear on a student's transcript. Placement into one of the following courses indicates that a student needs additional preparation before enrolling in college-level courses:

ENGL 091	Preparing for College Reading I
ENGL 092	Preparing for College Reading II
ENGL 095	Reading and Writing Seminar
ENGL 098	Reading and Writing Studio
ENGL 099	Introductory Writing
MATH 001-003	Preparing for College Math I-III
MATH 010	Fundamentals of Mathematics
MATH 011	Introductory Algebra
MATH 012	Intermediate Algebra
MATH 060	Math Literacy
MATH 061	Non-algebra Support
MATH 065	Integrated Preparation for College Algebra

### KEY

Keep an eye out for these symbols, which give important information about certain courses.

These courses have no prerequisites or developmental courses required.

These courses are only offered in certain semesters.

Students must earn a minimum grade in these courses to remain in the program.

Eligible electives for this program are listed on the reverse. Watch for this symbol.

### HELPFUL HINTS

Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor or visit the online course search for availability.

Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.

## Program Notes

The Paramedic Program is a selective admission program. Students may register at [www.massasoit.edu](http://www.massasoit.edu) for a mandatory information session.

The Paramedic Program is a 17-month certificate program with two starts, fall and spring. Paramedic courses have a didactic (lecture), clinical and field component. Lecture courses are scheduled in the evening. Lab courses are held all day on Saturdays in the fall and spring semesters and on Saturdays and Sundays during the summer sessions.

A CORI background check and full immunization record are required to begin internships. Students must pass both in order to successfully complete the program.

Students entering the program must hold and maintain Emergency Medical Technician (EMT) certification.

### EMSP Minimum Grades

A grade of 80 (B-) or higher must be earned in all paramedic courses.

ENGL 101 and BIOL 115 are prerequisites for EMSP 260 Paramedic Fundamentals A.

**A minimum of 29 credits and 13 courses is required for completion. The same course may not be used to satisfy two different course requirements.**

## After Graduation/Completion

This program prepares students to function in the field and to be eligible to sit for the National Registry of Emergency Medical Technicians (EMT) Paramedic certification exam psycho-motor and cognitive components.

Employment opportunities include: municipalities, fire departments, private ambulance services, hospitals, clinics and non-traditional venues such as dentist's offices, satellite emergency rooms, and contract services.
