Loan Acceptance/Request Form 2023-2024

Direct Loan Information and Facts:

Your eligibility for loan funds will be determined based upon your enrollment at Massasoit Community College, the period of the loan, the educational costs for this period, and the anticipated financial resources you will receive during the period of the loan. Your loan may be subsidized or unsubsidized depending on your financial need, as determined by the FAFSA, as well as your prior borrowing history. We strongly encourage you to borrow as little as possible, and to borrow only what you need to satisfy your bill and other educational expenses. Loans may only be used for educational expenses.

Subsidized Direct Loan: Students must have unmet financial need as determined by the FAFSA. The federal government pays the interest when you are in school at least half-time, during the grace period, and during periods of authorized deferment. Check studentaid.gov for the most up-to-date information regarding Direct Loan interest rates.

Unsubsidized Direct Loan: If your loan is unsubsidized, the interest will accrue on the loan while you are in school. Students may choose to pay the interest quarterly during the in-school period, or interest will be capitalized once repayment of the loan begins. Check <u>studentaid.gov</u> for the most up-to-date information regarding Direct Loan interest rates.

Loan Fees: The loan fee is a percentage of the loan amount and is proportionately deducted from each loan disbursement. The percentage varies depending on when it is first disbursed. Check <u>studentaid.gov</u> for the most up-to-date information regarding loan fees.

Entrance Counseling: An information session that takes place before the loan is disbursed and is required for all Direct Loan borrowers. The session explains your rights and responsibilities as a student loan borrower. Entrance counseling is completed online at studentaid.gov.

Master Promissory Note: A promissory note is a binding legal document you sign when you get a student loan. It contains the loan terms and conditions under which you are borrowing and the terms under which you agree to pay back the loan. It is important to read, understand, and save this document. The Master Promissory note is completed online at <u>studentaid.gov</u>.

Repayment Begins: 6 months after a student graduates, withdraws, or drops below half-time enrollment (<6 credits).

Enrollment Status: Students must be enrolled half-time. Half-time is defined as at least 6 eligible credit hours (does not include credits for courses that are not required for a student's degree program or courses that violate the course repeat policy). Students who drop below half-time will have future disbursements cancelled and must complete exit loan counseling. For example, if the student is approved for a fall/spring loan and drops below half-time in the fall, the spring portion of the loan will be cancelled and the student will need to reapply for the loan if they want loan funds for spring. This process can delay the receipt of spring loan funds.

Disbursement: Loan funds are disbursed in two equal payments. For a fall/spring loan, the funds are disbursed in the fall and spring semesters after course participation has been confirmed. For a one semester loan, half of the funds are disbursed after course participation has been confirmed and the other half after the midpoint of the semester.

Cancellation: You have the right to request cancellation of any part of this loan for a period of up to 14 days after disbursement by submitting a written request to the Financial Aid Office.

Exit Counseling: An information session which must be completed when the student loan borrower ceases half-time enrollment or graduates. The session provides information on your loans and when repayment begins. Exit counseling is completed online at <u>studentaid.gov</u>.

Loan Reporting: All federal student loans obtained by a student or parent are reported to and tracked on the National Student Loan Data System (NSLDS). NSLDS loan records are accessible to all authorized NSLDS users including schools, student loan guaranty agencies, lenders, federal agencies, and other authorized users. Alternative and private education loan information is not reported to NSLDS.

Accessing NSLDS: Student and parent loan borrowers and federal Pell grant recipients may view their federal loan and/or Pell grant information at studentaid.gov. Financial aid recipients access the system using their Federal Student Aid ID.
