CONGRATULATIONS
You've Arrived!

This academic map is a suggested semester-by-semester guide to keep you on a clear path to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

About Developmental Courses

Developmental courses do not satisfy graduation requirements, but are required for those who place into them and will appear on a student's transcript. Placement into one of the following courses indicates that a student needs additional preparation before enrolling in college-level courses:

ENGL 091	Preparing for College Reading I
ENGL 092	Preparing for College Reading II
ENGL 095	Reading and Writing Seminar
ENGL 098	Reading and Writing Studio
ENGL 099	Introductory Writing
MATH 001-003	Preparing for College Math I-III
MATH 010	Fundamentals of Mathematics
MATH 011	Introductory Algebra
MATH 012	Intermediate Algebra
MATH 060	Math Literacy
MATH 061	Non-algebra Support
MATH 065	Integrated Preparation for College Algebra

KEY

Keep an eye out for these symbols, which give important information about certain courses.

These courses have no prerequisites or developmental courses required.

These courses are only offered in certain semesters.

Students must earn a minimum grade in these courses to remain in the program.

Eligible electives for this program are listed on the reverse. Watch for this symbol.

HELPFUL HINTS

Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor or visit the online course search for availability.

Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.

Program Notes

Students with prior knowledge of Windows, Word, Excel, and/or PowerPoint may enroll in the intermediate-level courses for these applications pending departmental approval.

Students gain hands-on experience on a variety of computer software packages including word processing, spreadsheets, databases, and presentation graphics.

CTIM 271 Database Concepts and Practices is offered in the Spring semester only.

CTIM 101, 102, and 103: Students wishing to complete this certificate in one year should enroll in CTIM 101 Beginning Windows, CTIM 102 Beginning Word, and CTIM 103 Beginning Excel prior to the start of the fall semester if he or she has not had previous experience with Windows, Word, or Excel.

Some courses may have prerequisites, which are courses that **must** be taken prior to a particular course. For details, log into Degree Works through your MyMassasoit portal.

A minimum of 12 credits and 8 courses is required for completion. The same course may not be used to satisfy two different course requirements.

After Graduation/Completion

Successful graduates of this program should be able to secure employment in a wide variety of industries as administrative support specialists and/or Microsoft Office Specialists.

Students completing this certificate may be able to sit for the MOS (Microsoft Office Specialist) Certification exams in Word, Excel, and PowerPoint.

Consider joining and/or visiting sites of professional organization such as:

Association of Information Technology Professionals: www.aitp.org

Association for Computing Machinery: www.acm.org

Association for Women in Computing: www.awc-hq.org

Visit www.careergps.mass.edu for more information about employment opportunities in your field of study.
