This academic map is a suggested semester-by-semester guide to keep you on a clear path to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

Please note that program-specific courses are only offered on the Canton Campus.

About Developmental Courses

Other Electives: Students choosing a liberal arts or science elective can select from the Course Elective Guide at massasoit.edu/electives.

Some courses may have prerequisites, which are courses that **must** be taken prior to a particular course. For details, log into Degree Works through your MyMassasoit portal.

A minimum of 60 credits and 20 courses is required for completion. The same course may not be used to satisfy two different course requirements.

After Graduation/Completion

Students should consider continuing their education with institutions that have articulation agreements with the visual arts degree programs at Massasoit. For example, Lesley University will accept all college-level courses passed at Massasoit for students who have completed an associate degree in Visual Arts with options in Art & Graphic Design or Fine Arts and meet Lesley's program admission requirements.
