Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

KEY

Keep an eye out for these symbols, which give important information about certain courses.

These courses have no prerequisites or developmental courses required.

These courses are only offered in certain semesters.

Students must earn a minimum grade in these courses to remain in the program.

Eligible electives for this program are listed on the reverse. Watch for this symbol.

HELPFUL HINTS

Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor or visit the online course search for availability.

Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.

Program Notes

Some courses may have prerequisites, which are courses that **must** be taken prior to a particular course. For details, log into DegreeWorks through your MyMassasoit portal.

A minimum of 21 credits and 7 courses is required for completion. The same course may not be used to satisfy two different course requirements.

After Graduation/Completion

This program prepares students for entry-level professional positions in commercial and community banks.

Consider integrating your academic learning with work experience by pursuing a for-credit internship. For more information about internship opportunities, please visit massasoit.edu/internships or contact Professor Robert Pacheco in the Business Department, at RPacheco@massasoit.mass.edu.
