This academic map is a suggested semester-by-semester guide to keep you on a clear path to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

KEY

Keep an eye out for these symbols, which give important information about certain courses.

These courses have no prerequisites or developmental courses required.

These courses are only offered in certain semesters.

Students must earn a minimum grade in these courses to remain in the program.

Eligible electives for this program are listed on the reverse. Watch for this symbol.

HELPFUL HINTS

Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor or visit the online course search for availability.

Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.

CONGRATULATIONS
You've Arrived!

Program Notes

Students should plan to meet with a CJ faculty member early in their program to review their planned classes. Students may be able to earn a certificate in addition to their associate degree by carefully selecting classes. Many find that a mix of traditional face-to-face classes with online options works best to complete the program and accommodate their life activities (work, school, military, etc.).

Take Introduction to Criminal Justice as early as possible! (MATH 001/010 Prep Math I/Fundamentals of Math may be waived to a co-requisite).

Security (SECU) classes are also criminal justice electives.

CJUS 305 Criminal Law is a prerequisite for CJUS 306 Criminal Procedure. CJUS 101 Introduction to Criminal Justice is a prerequisite for most of the CJ classes.

Criminology is a sociology class, not criminal justice, and it has SOCI 104 Principles of Sociology as a prerequisite.

All core classes are offered in online format as well as face to face. Generally all required core classes are offered.

Math Elective: MATH 158 Intro to Statistics or higher. Students are encouraged to take MATH 158 Statistics for their mathematics requirement.

Capstone: CJUS 403 Criminal Justice Capstone must be completed before graduation.

Other Electives: Students choosing a humanities, lab science, liberal arts, modern language, or science elective can select from the Course Elective Guide at massasoit.edu/electives.

This program is intended for students who wish to continue their education to pursue a bachelor's degree at a four-year college or university. Students enrolled in this program may consider transfer options through MassTransfer with Massachusetts state colleges and universities or other transfer opportunities at private institutions.

*Transfer Note: The **transfer maps** are only recommended for getting into some programs at particular colleges with specific grades. If you are interested in transferring, we recommend you sign up for a Transfer Information Session on our Transfer Services website: massasoit.edu/transfer.

Some courses may have prerequisites, which are courses that **must** be taken prior to a particular course. For details, log into Degree Works through your MyMassasoit portal.

A minimum of 62 credits and 21 courses is required for completion. The same course may not be used to satisfy two different course requirements.

After Graduation/Completion

Massasoit's CJ Program continues to be Quinn Bill (PCIPP) certified. For those planning careers in policing in Massachusetts, this may qualify you for premium educational incentive pay. For others it serves as a quality standard recognized by criminal justice employers and academic institutions.

Careers in policing, corrections, and some other areas of criminal justice are exam driven. Watch for exam offerings and take them in advance of your anticipated graduation.
