CONGRATULATIONS
You've Arrived!

This academic map is a suggested semester-by-semester guide to keep you on a clear path to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

Please note that program-specific courses are only offered on the Canton Campus.

Milestones

Semester 1: Students with a C+ or higher in DENT 102 Dental Materials I, DENT 103 Dental Radiography I, and DENT 107 Chairside Assisting will continue to the second semester and complete their clinical training hours.

Semester 2: Students will earn a certificate of completion of community service.

KEY

Keep an eye out for these symbols, which give important information about certain courses.

	These courses have no prerequisites or developmental courses required.
	These courses are only offered in certain semesters.
	Students must earn a minimum grade in these courses to remain in the program.
	Eligible electives for this program are listed on the reverse. Watch for this symbol.

HELPFUL HINTS

Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor or visit the online course search for availability.

Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.

Program Notes

ENGL 101 English Composition I and PSYC 101 General Psychology are the only transferable courses with the approval of admissions.

Prior to applying, students must attend an information session.

Applicants are required to take college placement tests or submit Multiple Measures options in reading, writing, and mathematics.

Admission to the program is based on the Dental Assistant rubric.

The Dental Assistant program qualifies for financial aid.

In addition to regular tuition and fees, students are responsible for the purchase of the clinical uniform available through Alexander Uniforms. This includes scrubs, lab coat, clinic coats, safety glasses, and name pin. The uniform is needed for the first day of class.

CPR is mandatory and will be offered during the first semester.

Medical forms with the required immunizations are to be completed before the first day of class.

Students accepted into the program must pass a CORI, administered through the Allied Health division of the college.

The Dental Assistant program is accredited by the ADA Commission on Dental Accreditation.

Some courses may have prerequisites, which are courses that **must** be taken prior to a particular course. For details, log into Degree Works through your MyMassasoit portal.

A minimum of 40 credits and 11 courses is required for completion. The same course may not be used to satisfy two different course requirements.

After Graduation/Completion

Students who pass and graduate from the Dental Assistant program will earn a certificate allowing them to apply to the Dental Assisting National Board (DANB) to obtain their CDA Certification.

Graduates are required to register with the Board of Dental Registration (BORID) in the Commonwealth of Massachusetts to work in the state. Proof of their CDA Certificate or Radiography Exam results from DANB are required for registering.
