Program Notes

Massachusetts is the third top paying state in the country for employment in Media, Arts, Entertainment, and Sports Media with over 200 radio stations and 68 television stations within driving distance from Massasoit, plus numerous cable, print and multimedia corporations. We are located in the 7th largest TV market and 10th largest radio market in the United States. Due to these factors, there are two tracks available to Media Arts students.

Students who are interested in the **Radio** track should take MDIA 108 Radio Broadcasting, MDIA 113 Radio Production and Podcasting, MDIA 213 Advanced Radio Production and Podcasting, MDIA 110 Broadcast Writing and Presentation, and MDIA 401 Practicum in Radio. MDIA 213 Advanced Radio Production and Podcasting is designed to build upon the skills learned in MDIA 113 Radio Production and Podcasting. Students wishing to take both courses should plan to take MDIA 113 Radio Production and Podcasting in semesters 1, 2, or 3.

Students who are interested in the **Video Production** track should take MDIA 112 Television Production, MDIA 116 Digital Video Editing, MDIA 114 Advanced TV Production, and MDIA 401 Practicum in TV.

MDIA 401 Practicum in Television or Radio has a prerequisite of MDIA 112 TV Studio Production or MDIA 113 Radio Production and Podcasting and departmental approval. Students wishing to take Practicum should plan on taking MDIA 112 TV Studio Production or MDIA 113 Radio Production and Podcasting in semesters 1, 2, or 3.

After Graduation/Completion

You will leave Massasoit with the skills to work in the industry or transfer to another college. Students do not just learn about media; they perform the duties of those working in the media industry. This has given Massasoit's Media Arts program a great reputation in the industry and placement for internships and employment. Skills learned in this industry also carry over to areas of business, web design, communication, public relations, education, and sports management. Almost any industry uses aspects of media, and Massasoit students can benefit by learning skills in podcasting, broadcasting, digital media content, and video production.

The Media Arts program allows students to be eligible for MassTransfer and A2B Pathway for state alignment. Graduates will have the tools and skills to advance in a variety of media related programs and industries.
