ISEC 131	Routing, Switching and Wireless Essentials		4 <input type="checkbox"/>

Semester	3		Credits
ISEC 132	Enterprise Networking, Security & Automation		4 <input type="checkbox"/>

CONGRATULATIONS

You've Arrived!

This academic map is a suggested semester-by-semester guide to keep you on a clear path to program completion. Your academic advisor will provide you with clear direction needed to stay on course and discuss scheduling options with you. Taking courses not reflected on this map may result in courses not counting toward the completion of your requirements.

Please note that program-specific courses are only offered on the Canton Campus.

Milestones

After successful completion of ISEC 129, students are eligible to take the A+ national certification exam. After successful completion of ISEC 130, 131 and 132, students are eligible to take the Cisco CCNA exam.

KEY	Keep an eye out for these symbols, which give important information about certain courses.
	These courses have no prerequisites or developmental courses required.
	These courses are only offered in certain semesters.
	Students must earn a minimum grade in these courses to remain in the program.
	Eligible electives for this program are listed on the reverse. Watch for this symbol.

HELPFUL HINTS	
	Summer and/or Winter Session classes may be available for your program to help you finish on time. See your advisor or visit the online course search for availability.
	Taking 15 credits/semester or 30 credits/year will help you stay on track to finish your degree in two years.

Program Notes

Students who complete all coursework with a 75% or better will receive a 50% discount on the CCNA testing fee.

Some courses may have prerequisites, which are courses that **must** be taken prior to a particular course. For details, log into Degree Works through your MyMassasoit portal.

A minimum of 16 credits and 4 courses is required for completion. The same course may not be used to satisfy two different course requirements.

After Graduation/Completion

Students will be awarded a Massasoit Community College certificate verifying the successful mastery of program requirements. Upon completion of the certificate program, students will be able to take the Cisco CCNA Certification exam. Registration and exam fee is the responsibility of the student. Massasoit Community College is an approved testing site and offers the A+ and Cisco certification exams.
